Collaboration Agreement

I/We confirm and agree that any biological samples and/or data received from the Juvenile Dermatomyositis Cohort Biomarker Study and Repository (UK and Ireland) will be used only for the specific purpose(s) that have been reviewed and passed by the steering committee of the Juvenile Dermatomyositis Cohort Biomarker Study and Repository (UK and Ireland), and that any further plans to utilise these samples for other research on new genes, molecules, pathways or projects etc., will be agreed and passed by the steering committee through an alternative application.
